

**THINGS YOU HAVE TO BRING BACK
PRIOR TO FILING**

- 1) Last 3 years Federal tax returns.

- 2) Pay Stubs for you and your spouse for the last 6 months.
If you are on Social Security or Disability we need your letter that shows the monthly amount you receive each month. If you are self employed and do not receive check stubs, then you can complete a perjury form that states you do not receive pay stubs.

- 3) If you pay Child Support or Alimony we need the name of the parent you pay and his/her address as well as any State Agency name and address that payments go to.

Name and address of person you pay support to: _____

Name and address of where your payments go to: _____

(ex: Child Support Center, Montgomery, AL)

Arrearage amount if any\$ _____

Regular Monthly Child Support Payment\$ _____

- 4) Credit Counseling Certificate. We have a list of credit counseling agencies we can give you. The average course costs between \$30.00 & \$50.00.

- We must have all these documents before we can file your Petition.

We highly recommend that you obtain a copy of your current credit report. You are now entitled to a free online credit report every year. There are three credit reporting agencies Equifax, Experian and Transunion. You can get all three credit reports at the web addresses below. Make sure that you request the FREE credit report. You can get one from each agency. Often times people are unaware of creditors they owe. These reports should print the name and address of the each creditor plus the account numbers and balances owed. This is not necessary but highly recommended.
